OLYMPUS – A Journey into Ancient times searching for Olympus's rings – by Pyronix Production
Get ready for an extraordinary adventure that will bring you to the heart of antiquity, among myths, heroes and legendary deities. Guided by the gods and challenged by mythological creatures, our heroes will board on a dangerous mission: to find the mysterious Rings of Olympus, ancient symbols of power kept in the ruins of a glorious era. Olympus is a big show that combines fire, acrobatics and spectacular effects on a journey through the Roman world and the legends of Olympus. Dancing flames, juggling performances, heroic fights will immerse the audience in a universe full of emotion, bravery and wonders.
To prevent technical problems, access to Piazza San Gennaro will be allowed only until 10pm.

***** Each evening from the August 1st to August 3rd in the church of San Gennaro: 7.00pm Rosary, followed by holy Mass at 7.30pm.**
